

SOUTH VILLAGE WATER RECLAMATION EXPANSION PROJECT CAPACITY RESERVATION AGREEMENT

AGREEMENT PROVISIONS:

The undersigned property owner, or authorized representative of the property listed below, indicates an interest in and hereby makes a financial commitment to the proposed expansion of the Woods Valley Ranch Water Reclamation Facility to provide wastewater collection, treatment and disposal services to nearby properties located in the GP 2020 South Village Planning Area.

As a demonstration of this desire, the undersigned agrees to provide an initial \$2,500.00 per equivalent dwelling unit (EDU) capacity reservation deposit for the parcel and the number of EDU's indicated below. The property is located within the proposed GP 2020 South Village Planning area and the number of EDU's requested does not exceed the maximum number of EDU's allowed under the current zoning on the property.

The undersigned also acknowledges that:

- Submission of this agreement and the initial reservation deposit does not result in a guarantee of ultimate wastewater services and only serves as financial support to move the planning, environmental and preliminary design processes forward at this time; and
- If for any reason the project is not implemented, the funds which have not been expended will be refunded at that time and any funds which have been expended will be forfeited.

INITIAL RESERVATION DEPOSIT CALCULATION:

<u>Assessor's Parcel Number</u>	<u># of EDU's Requested</u>	<u>Cost</u>
_____ - _____ - _____	_____ @ \$2,500.00	= \$ _____
	Less prior deposits, if applicable =	(\$ _____)
	Net capacity reservation deposit =	\$ _____

ACKNOWLEDGEMENT AND AGREEMENT:

I, the undersigned owner or authorized representative of the property listed in this agreement, do acknowledge and understand the conditions under which the Capacity Reservation Deposit is made and accepted by the Valley Center Municipal Water District (VCMWD).
